<b>POOL USE RULES</b>
-----------------------

1. Pool is SWIM AT YOUR OWN RISK. Lifeguards are not present or provided with your rental unless you decide to hire them at your own expense. State law requires that you hire two lifeguards if they are used. Ask Pool Director for list of available lifeguards for hire.
2. Use of the picnic area for your rental is exclusive. Use of the pool and related other facilities is open to other members during your rental (but sparsely used, if at all, in the hours your rental is in effect).
3. Limit of 30 people maximum for a rental and the time limits of the rental are strictly enforced. Please do not encourage an "open ended" invitation.
4. \_\_\_\_\_ (Initial) Swimming in the Pool is done so at my own and my family members or guests own risk. The swimmer must be an adult (at least eighteen [18] years of age) or an adult guardian (at least eighteen [18] years of age) must be present at all times.
5. \_\_\_\_\_ (Initial) I understand that following the Pool rules is necessary for the health and safety of all pool members, and for the mutual enjoyment of the pool by all participants. I understand that I as a member may enforce these rules, and can be responsible for immediately removing a person from the Pool Area that I determine to be in violation of any rule. While in the Pool Area, I agree to abide by the regular pool rules which are in effect at all times, and are as follows:
  - a. Pool use hours are specific to my rental as noted above.
  - b. If no lifeguards are hired for my event at least one member of my party 18 years of age or older will watch swimmers at all times.
  - c. Children under 18 years of age must be accompanied by a responsible adult (at least 18 years of age). Supervision of children at all times is the responsibility of the parent or adult (at least 18 years of age) guardian. The Pool is ALWAYS Swim at Your Own Risk.
  - d. Disorderly, disruptive or disturbing behavior, including but not limited to, loud or obnoxious noises, profanity, obscenity, belligerent or intoxicated behavior, horseplay and/or rough physical behavior is never allowed. Any pool member, if he or she determines an individual to be in violation of this rule, may remove the person from the pool. Use of local law enforcement is allowed by pool members or HOA Management.
  - e. No running in the Pool Area.
  - f. Inflatable pool devices and other pool toys may not be used in a manner that disrupts the enjoyment of the pool by other members.
  - g. No glass containers within the fenced pool area.
  - h. No food on the pool deck.
  - i. Babies and toddlers must use a plastic diaper cover or tight-fitting toddler suit with elasticized openings. Diapers or loose-fitting trunks alone are insufficient and can lead to pool closings with "accidents."
  - j. Reasonably amplified music is allowed during a pool party rental, but you must turn it down if asked.
  - k. No electronics allowed in or near the pool edge.
